

The Arc of St. Clair County has been providing services and support to people with intellectual and developmental disabilities in St. Clair County since 1955. The Arc offers FREE services to over 750 children and adults throughout the year on their quest to live full and inclusive lives. The only way this is possible is through the support of our community.

Please join us for a day of competition, a banquet luncheon, prizes and raffles to honor the legacy of Rich Schock!

Rich was an avid golfer, a longtime Arc employee and he spearheaded the Arc Golf Classic for many years until he unexpectedly passed away in 2008. We have seen the number of golf numbers grow each year and it is a testament to the impact Rich had throughout the community and to the foundation he laid for our consumers.
